Commissioner for Patents

Dear Sir:

Applicants submit the references listed on the attached form PTO-1449. The Examiner is requested to make these references of official record in this application.

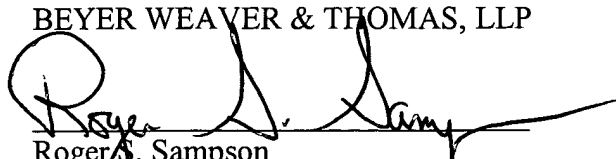

The undersigned hereby states pursuant to 37 CFR §1.97(e), that each item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application no more than three months prior to the filing of the Information Disclosure Statement. Only a copy of the relevant communication is enclosed. Because the listed references were cited in the counterpart foreign application, Applicant submits that copies need not be provided. However, if the examiner is unable to locate copies of the cited references, Applicant, upon request, will provide copies for the examiner.

This Information Disclosure Statement is believed to be filed before the mailing date of a first Office Action on the merits. Accordingly, it is believed that no fees are due in connection with the filing of this Information Disclosure Statement. However, if it is determined that any fees are due, the Commissioner is hereby authorized to charge such fees to Deposit Account 500388 (Order No. BEX1P004).
